

## Solid Door Catering & Storage Cabinets

**SKOPE** is now offering an extensively updated Centaur vertical range of food preparation and storage solutions.

With energy and cost efficient design these chillers and freezers have a heavy duty overall construction and are suitable for foodservice operations.

### Specifications

- 304 Stainless steel exterior and fully covered stainless steel interior surfaces
- Easy plug-in installation, specifically designed to roll through most doors, modular total height of 1910mm on 120mm high castors
- Removable Cyclone™ style integral refrigeration system
- Exclusive indirect airflow, fin-coil evaporators create low velocity air flow and more even circulation of cold air
- Plumbing-free design with electric condensate evaporator
- High efficiency air duct and U trap drain to prevent the build up of dust
- Refrigeration system fans stop turning when doors are open to limit the release of cool air
- Curved edges on doors and sign panels
- Automatic evaporator defrost programmed into control board

- Adjustable tension spring-loaded solid stainless steel doors with well-located durable semirecessed door handles
- Temperature setting is easy, fast and accurate with a digital temperature control panel with LED display mounted on the cabinet exterior
- Chiller operating temperature adjustable from 0°C to +4°C in 32°C ambient
- Freezer operating temperature adjustable from -23°C to +4°C in 32°C ambient
- R134a refrigerant in chillers and one door freezers, R404A refrigerant in freezers
- Illuminated interior with the lighting switching off when doors closed
- 230-240 Volts AC 50Hz, single phase power supply
- Lockable swivel castors and adjustable legs on all models as standard
- Height 1910mm, depth 803mm

Model	Type	Doors	Width	Volume

## VF37SD

Height	1840mm
Length	595mm
Depth	600mm
Gross Capacity	300 litres

### Standard Features:

- >> White colour bond finish
- >> Static refrigeration system
- >> Thermometer
- >> Bottom mounted condensing unit
- >> One way rear rollers
- >> Storage baskets available - P.O.A.

## FSJ

### Standard Features:

- >> Stainless steel interior/exterior - including worktop
- >> Hinged solid doors
- >> Integral refrigeration
- >> Two adjustable wire shelves per door - Gastronorm sizing
- >> Temperature range +2°C/+5°C
- >> Digital temperature display and control

### Options:

- >> Two or three drawers in lieu of doors - P.O.A.
- >> Marble or granite worktops - P.O.A.
- >> Ambient dough drawers and/or ingredients chiller added -P.O.A.

Length	1414mm	1844mm	2274mm	2704mm
Height	850mm	850mm	850mm	850mm
Depth	700mm	700mm	700mm	700mm
No. of Doors	2	3	4	5

## Ingredients

### Standard Features:

- >> Counter top ingredients chiller
- >> Stainless steel interior/exterior
- >> Blown-air refrigerated well
- >> Curved glass sneeze guard
- >> Gastronorm sizing
- >> Preparation bench fitted
- >> Gastronorm pans - not included

### Options:

- >> Flat glass canopy - P.O.A.
- >> Shelf above - P.O.A.
- >> Remote refrigeration - P.O.A.

Model	ING1430	ING1925
Length	1430mm	1925mm
Height	504mm	504mm
Depth	454mm	454mm

## Prep Counters

### Standard Features:

- >> Stainless steel interior/exterior
- >> Refrigerated gastronomie well
- >> Two adjustable shelves per door
- >> Temperature range +4°C/+8°C (ambient +25°C/60% RH)
- >> Adjustable thermostat
- >> Flat glass serve-over canopy
- >> Preparation bench fitted
- >> Gastronorm pans - not included

### Options:

- >> Stainless steel lift-up cover for refrigerated well in lieu of glass canopy - P.O.A.
- >> Gastronorm pans - P.O.A.
