## VF37SD

### Features:

- White colour bond finish
- Static refrigeration system
- Thermometer
- Bottom mounted condensing unit
- One way rear rollers
- Storage baskets available

| Model  | Gross Capacity | Length | Depth | Height |
|--------|----------------|--------|-------|--------|
| VF37SD | 300ltrs        | 595mm  | 600mm | 1840mm |

VF37-SD

## VF37GD

### Features:

- Glass door
- Internal light
- Light switch
- Door lock
- Thermometer
- Static refrigeration system
- Bottom mounted condensing unit
- One way rear rollers
- Storage baskets available

| Model  | Gross Capacity | Length | Depth | Height |
|--------|----------------|--------|-------|--------|
| VF37GD | 300ltrs        | 595mm  | 600mm | 1840mm |
